Early Life and Formative Years

Childhood Amidst Racial Violence

Malcolm X was born Malcolm Little in Omaha, Nebraska, in 1925. His early years were marred by the brutal realities of racial segregation and violence. His father, Earl Little, was an outspoken Baptist preacher and supporter of Marcus Garvey's Black nationalist movement, which made the family a target for white supremacist violence. Malcolm's father was eventually murdered by white supremacists, an event that profoundly shaped his worldview. His childhood environment was characterized by instability, moving frequently and experiencing systemic discrimination firsthand, fostering a sense of alienation.

Path to Crime and Imprisonment

As a young man, Malcolm descended into a life of petty crime and hustling. His involvement in drug dealing, burglary, and other illicit activities led to his arrest in 1946. While incarcerated, Malcolm's worldview began to shift, especially after exposure to the teachings of Elijah Muhammad and the Nation of Islam. Marable emphasizes that Malcolm's time in prison was pivotal—it was here that he reinvented himself intellectually and spiritually. His subsequent efforts aimed at building alliances across racial lines signaled a shift from militant separatism to a more inclusive approach.
