The True Story Behind A Long Walk to Water

Origins and Inspiration

A long walk to water is inspired by the real-life experiences of Salva Dut, a South Sudanese refugee who became a humanitarian and founded Water for South Sudan. Dut's journey began during the Second Sudanese Civil War (1983–2005), a brutal conflict that displaced millions of people, including children, who had to walk hundreds of miles to find safety and basic necessities like water and food.
