Understanding the Foundations of Asana, Pranayama, Mudra, and Bandha

What is Asana?

Asana refers to the physical postures practiced in yoga. Swami Satyananda Saraswati emphasized that asanas are not merely exercises but are vital tools for preparing the body for meditation and spiritual practice. Proper asanas promote flexibility, strength, stability, and relaxation.

What is Pranayama?

Pranayama involves controlling and regulating the breath—known as 'prana' or life energy—through specific breathing techniques. It enhances oxygen intake, balances the nervous system, and prepares the mind for higher states of consciousness.

What are Mudras?

Mudras are symbolic gestures or seals made with the hands or body that influence energy flow within the body. They serve as tools to channel and intensify prana, aiding in mental concentration and spiritual

progress.

What are Bandhas?

Bandhas are energy locks or seals that involve contracting specific muscles to direct and retain energy within the body. They help stabilize the body and mind, increase vital energy, and awaken higher consciousness.
